Dear Ms. Graham:

A good friend of mine, Dr. Kornel Morawiecki, has recently been arrested in Poland (see the enclosed newspaper clipping), and I am deeply concerned for his personal safety at the hands of the Polish secret police. I came to know Dr. Morawiecki, over a number of years, when he was a physicist at the Wroclaw Technical University. He became deeply involved in the Solidarity movement, and has been living in hiding, since the Declaration of Marshal Law in Poland on December 13, 1981.

Kornel's daughter, Anna, lives at the following address:

ul. Kilinskiego 25 m. 7  
Wroclaw 50-263. POLAND

Another person that may be contacted for information regarding Kornel is

Dr. Jerzy Petryniak  
Dept. of Biological Chemistry  
Medical School of the  
University of Michigan  
Ann Arbor, Michigan 48105

Dr. Petryniak was also a friend of Kornel's, and was badly beaten by the Polish secret police before he immigrated with his family to the United States in April, 1983.

It is my hope that Amnesty International will take an interest in the case of Kornel Morawiecki, who is being incarcerated on the basis of his continuing belief and involvement in the Solidarity Movement in Poland. Please contact me if I can be of further help in this matter.

Sincerely yours,
