Honorable Butler Derrick
Congress of the United States
House of Representatives
Washington, DC 20515

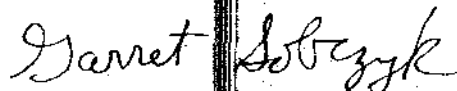

Dear Congressman Derrick:

Thank you for your letter of August 27th regarding Dr. Kornel Morawiecki, and Mr. Mapalala.

I was particularly happy that you had the chance to meet Kornel before his surprise return to Poland on August 27th. Kornel returned to Poland illegally, and is once again working in the underground in Wroclaw, Poland, for the cause of Polish Freedom and Independence. I have no doubt that he will continue to be a thorn in the side of his antagonists. Considering who his opponents are, he is going to have a pretty rough time of it, and will need all the help that he can get. I greatly appreciate all that you have done, and your willingness to help out in the future.

With kind regards, I am

Respectfully,

Dr. Garret Sobczyk,
Associate Professor
of Mathematics
